A little healthy competition between your mates as well!

MINEFIELD

1 HOUR

We will lay out several different obstacles on the ground. Then we will pair up employees and make one person on each team wear a blindfold. The object here is to have the employee who can see verbally direct the blindfolded employee across the minefield to the other side without running into anything. The blindfolded employee cannot talk.

THE DEN SCAVENGER HUNT

1 HOUR

We will arrange a good, old-fashioned scavenger hunt. We will break the teams into small groups and give them a list of items and clues to find as quickly as they can. The first team to collect every item on the list wins. Team members will be forced to work together, which will help build trust.

CELEBRATION OLYMPICS

1 HOUR

We can customize your event with different activities from potato sack races, to three-legged races to even some fun hand/eye coordination games that you may not have heard of. This event will test teamwork and trust amongst teams to see who can finish the quickest and without any type of problems.

GAME NIGHT!

1 HOUR

Test your trust and knowledge in yourself as well as your team with this event to put all of the brains on notice.

MINUTE TO WIN IT

1 HOUR

Teams must complete a task using household items in less than a minute to move on to the next challenge and win points for their team.

ENHANCE YOUR EXPERIENCE

BEAT THE BOX

2 HOURS

Beat the Box is the ultimate competitive team building game. Teams work to open a box and discover 4 cases inside. Each case contains challenging, Escape Room-style challenges which must be solved in a specific order to open the next case and ultimately discover a mystery phrase which will stop the clock. Will your team accept the challenge and stop the countdown before your time is up?

FLIP FLOPS & TIE-DYE KIND OF DAY

1 - 2 HOURS

Regardless of your skill, physical condition or age, this is something everyone can do. It allows you to be creative while sharing the experience and you don't need a helmet or running shoes! Along with the take-home tie-dye shirt you also make shareable bandanas to donate to kids undergoing treatments at a local hospital.

CARDBOARD BOAT REGATTA

2 HOURS

Want to truly test your trust, teamwork and leadership? Then attempt the boat building competition! This competition will pit teams against each other in a challenge to completely put a boat together that can sail from one side of the pool to the other. But there's the catch: you may only use cardboard, tape and one pool noodle to build your boat.

BUILD A BIKE

2 HOURS

The bike building competition is another great test of teamwork and leadership. This competition will pit teams against each other in a challenge to completely put a bicycle together from the box to riding standards. Bikes would then be donated to charity.

SHAKE THAT MARGARITA

1 HOUR

Start this event off by learning how to make our Perfect Margarita from one of our Mixologists. Groups will be broken up into teams to see who can create the best margarita. Trivia questions will be provided to win upgraded splashes of flavor. Groups may pick a panel of judges to vote on which team created the best drink.
